

## AGM Agenda May 24, 2020

- Welcome from chairperson
- Virtual garden tour by Geoffrey Selling
- Minutes from last year - approved as written
- Treasurer's report- we are \$100 down from our net worth last year. We had budgeted to be more in the red because of the anniversary celebration, but the pandemic stopped that. We are continuing to pay St. Stephens for the space, but not PCCH as they said there was no need.
- Membership report - we have 80 regular members and 9 life members. This is a net loss of one member from last year.
- 50th Anniversary events: not sure when we will reschedule, but will keep you posted; Information about local reopening coordination is being shared by a group of dance leaders including some from our executive committee. We plan to have the Hogmanay Ball, but that could change.
- KG: Ideas for staying connected while we can't dance together
  - The Sellings would like to invite anyone who would like to come see our garden to do so. Please wear a mask and stay six feet away from others, but we would love to see you. Call or email ahead first.
  - Since tea and socializing are a big part of our group, how about a weekly Zoom for socializing.
  - If we cannot have class before Hogmanay, perhaps some times to walk through the dances would be good. It would be good to get the program to other groups early as well.
  - Music is wanted; technology is problematic. Peggy Leiby has ideas that might help.
  - Jane says music is rather hard to do without the software, and it is hard to get up to speed while working from home.
  - There was an idea of dancing outside and hand washing stations.
  - Various other groups are doing zoom classes
  - If you would like to have the weekly email from RSCDS Headquarters forwarded to you, let Cecily Selling know.
- Election of member at large, Kathy Hutchinson and treasurer, Chrissa Pedersen
- CS: - History of the branch; power point is available to anyone who would like a copy.
