REGISTRATION INFORMATION
for
HOGMANAY 2021 – 2022

*Hogmanay will be different this year.
Thank you for reading fully!*

Pre-registration required for ALL
Online Pre-Payment Required

RSCDS Members \$40 / Non-RSCDS Members \$45
Students, Spectators and Under 13 \$15

FULL VACCINATION REQUIRED

A person is considered fully vaccinated against COVID-19 2 weeks (and longer) after receipt of the second dose in a 2 dose series (Pfizer-BioNTech and Moderna) or 2 weeks or longer after receipt of the single dose of the Janssen vaccine. **Proof of Vaccine required at registration.**

New information on boosters will be coming soon as we monitor the pandemic and the delta and omicron variants. **At this time we strongly encourage boosters for your protection and for the protection of our dance community and the broader community.**

MASKS REQUIRED AT THE HALL

- Everyone is required to wear a properly fitted mask at all times, unless briefly drinking or eating.
- Masks must full cover the nose and mouth and have a good seal. No bandanas, neck gaiters or masks with valves. N95 masks strongly recommended.
- Because Scottish dance is active, please bring multiple masks for effectiveness and comfort.

PROOF OF NEGATIVE TEST REQUIRED

Proof of a negative PCR test on December 28th or 29th

OR proofs from a double antigen test - the 1st one on December 29 and the 2nd one on the 31st (they come in packs of 2) is required. Full details on registration.

Because our Hogmanay community comes from many places and Hogmanay is held a week after a major holiday, we urge attendees to be as careful as possible to keep all as safe as possible. Please limit your exposures in the days immediately preceding the ball.

WAIVER

There will be a waiver to be signed at Hogmanay. We will use it for contact tracing if needed. A copy of the waiver will be emailed in advance.

ATTENDANCE CAP

We are in a smaller venue this year. Registration applicants will be confirmed until we reach 90 dancers. If we reach that number of dancers, we will form a waiting list.

DANCE FLOOR CAP

There is a limit of 9 sets (72 dancers) on the dance floor because of the smaller venue. Flow will be organized so that no one will miss more than one dance in a row unless they wish to sit out.

NON-DANCERS – Spectator / Child CAP

Non-dancers, including spectators and children will be capped at 10.

There is no child care available. Spectators and children must be fully vaccinated and fully masked at all times, with the brief exceptions listed above. All non-dancing children must have parental supervision.

TEA & BEVERAGES

- Bring your own water bottle! There are faucets near the dance hall where you can refill.
- We will not be serving tea or hosting a communal table. The church is allowing food as long as Philadelphia restaurant rules are followed strictly. There will be a separate room away from the dance space where attendees may choose to sit to eat with their masks removed.

HOSPITALITY

Because of the pandemic, fewer hosted accommodations may be available through our hospitality coordinator; however, there are many hotels available locally. More information with registration.

RECOVERY PARTY

This is a beloved part of our Hogmanay tradition and we are sad that, this year, there will be no recovery party.
